Nanosuit Ninja (15 points): Single Player: Perform 20 Stealth Kills without alerting nearby enemies. Be a Pro, use a Bow! (20 points): Single Player: Kill 10 enemies with each arrow type. It can be carried like a piece of debris. Mission 4: Safeties Off 13. Who Needs Rockets? Swept Aside (25 points): Kill the entire enemy team within 60s of activating the radar on Crossing (Public Match only). Open it to get a ketchup packet fountain. While exploring the train station, an objective marker will appear over a zipline. Odd Job (25 points): Get two kills with one throwable object in the same match (Public Match only). Post-Human Warrior (25 points): Single Player: Kill 10 enemies in a single Supercharge boost. An upgrade kit is inside the far northern tower of the dam, inside a generator room behind a series of terminals. Lord of the Pings (15 points): Kill 25 enemies with the Pinger (Public Match only). 19. Maximum Strength (15 points): Single Player: Kill 25 enemies using only the Nanosuit's enhanced powers instead of guns. Go through the open doors, and hack the CELL pod to find an upgrade kit. There are four soldiers in the first area. Mission 5: Red Star Rising 17. Go back through the large alien area, and keep killing the enemies until ten are killed with one supercharged shot to get the "Post-Human Warrior" achievement. The jammer is just a little machine, located in the south-eastern corner of the area. Look to the left to find a tan donut life raft on the shore of the river. Breaking the Lore (10 points): Single Player: Retrieve all CELL Intel. Turning the Tide (15 points): Complete Safeties Off. Poltergeist (10 points): Single Player: Kill 10 enemies with thrown objects without being detected. Pull yourself up to enter the ruins. There are lots of explosives in the weapon caches of this area. Nanosuit Veteran (25 points): Complete 3 of 7 levels on Veteran difficulty. Select the explosive or electric arrow, and destroy the helicopter in one shot to get the "Who Needs Rockets?" achievement. Belly of the Beast (20 points): Complete Only Human. The first four Nanosuit upgrade kits cannot be missed. Easy "White Rider" achievement Proceed through Mission 3: The Root Of All Evil until you exit a cave into a large open area, with a fallen tree at the cave's exit. Ping Pong! (20 points): Only Human: Kill all Pingers. 23. Hunter-Gatherer (15 points): Single Player: Retrieve 10 arrows from pinned enemies. Thor's Hammer Easter Egg In Mission 4: Safeties Off, look for Thor's Hammer in the shallow water, near some mines and between two building south of the "Avoid the CELL Searchlights and Make your way to the Park" primary objective. While go towards a large dam early in the mission, there will be a bunker on the left with alarm lights. Search those buildings to the left. Renaissance Man (35 points): Get 2 kills with each weapon in a round of Frenzy (Public Match only). An upgrade kit is inside a crashed VTOL, which is set as your second optional objective. 1 See Cloaked People (20 points): Kill 10 Hunters as a C.E.L.L. operative (Public Match only). Easy "Clever Girl!" achievement In Mission 2: Welcome To The Jungle, you will encounter Ceph Stalkers for the first time. Note: You can also see a small world map with all objectives in the pause menu. Going Commando (30 points): Get a primary weapon, secondary weapon and explosive kill in one life (Public Match only). Bring it On (45 points): Complete the campaign on Veteran difficulty. The ledge is approximately 165 meters from the "Infiltrate the Dam Control Towers" primary objective. Use the Predator Bow with the strongest draw to get the best range and accuracy for your arrow. Keep driving until you reach a closed gate. CELL Intel locations Search the indicated locations to find all 64 CELL Intel collectibles (38 Datapads, 6 Propaganda Posters, and 20 Blackboxes): Crocodile Ride Easter Egg In Mission 3: The Root Of All Evil, after the dam collapses, go down the river until you see a broken pipe on your right. Welcome to the Jungle! (15 points): Complete Post-Human. Press X to use it, and you will begin hallucinating. Roadkill (20 points): Red Star Rising: Crush 5 enemies with the Buggy. There is a small mushroom hidden in the foliage. A crocodile will appear, which you can ride down the river. Go back outside to encounter a CELL patrol. Jump into the alcove to the right of the hole to find a glowing suitcase on the ground. Use the rocket launchers and C4 explosives. This will ensure you do the least amount of damage per shot. Go up to the pipe, and press X. A Flawless Getaway (15 points): Complete Welcome to the Jungle. Achievements Accomplish the indicated achievement to get the corresponding number of Gamerscore points: Staying Sharp (20 points): Complete Tutorial. Inside the CELL Lab facility, look for a small blue supply shack attached to the center ring of catwalks to find an upgrade kit. Go to the location to find an upgrade kit in the wreckage. While in the open, search behind a building before reaching the Ceph objective to find an upgrade kit in a small clearing. Run over a total of five soldiers to get the "Roadkill" achievement. Clever Girl! (15 points): Single Player: Stealth kill a Ceph Stalker. Use the zipline, then turn right, and explore the train car to find the upgrade kit. 5. Ketchup Briefcase Easter Egg In Mission 3: The Root Of All Evil, once Psycho opens the elevator door, enter the shaft, and the elevator cables will break. To the right of the large tube that acts as a bridge across the rooftops, jump up to the roof on the right, and drop through the ceiling to find an upgrade kit. The hammer is exactly 81 meters away from the primary objective when looking back at the waypoint. 6. Kill as many soldiers as possible so they call for a helicopter for back up. Easy "Bang For The Buck" achievement In Mission 2: Welcome To The Jungle, immediately after getting the first Nanosuit upgrade at the beginning, enter the jungle, and equip the Predator Bow with explosive tipped arrows. Then, power kick the dumpster into the waiting Ceph. (20 points): Accept and complete 25 unique challenges. Flawless Victory (30 points): Get the most kills and win by reaching the score limit in a game of Frenzy (Public Match only). Slippery Customer (20 points): Slide for 1km on Creek (Public Match only). When you get the optional objective to destroy the Command Center defense system, look under the catwalks at the base to find an upgrade kit. Watch for one of the Ceph leaving the enclosed area to stand near a cliff's ledge with a strategically placed dumpster nearby. Rising Star (15 points): Reach Rank 20. Look inside to find an upgrade kit on a counter. Your Predator Bow will also work well. When you reach some destroyed vehicles (right after Claire's distress call), look near one of the destroyed APCs to find an upgrade kit. Rudely Interrupted (20 points): Rip an enemy player out of a Pinger (Public Match only). White Rider (20 points): The Root of All Evil: Surf the donut down the river for 20 seconds. 20. Notice the broken wall with the floor missing in the corner ahead. Cliff Diving (25 points): Get an 'Incoming!' Skill Kill from the top of the central rock on Coastline (Public Match only). Stick Around (15 points): Single Player: Using the Predator Bow, pin 10 enemies to walls with arrows. When entering the Ceph sections of the underground, you will pass through a narrow corridor with a small alcove above and a CELL ammo box on the ledge. Halfway to Hell (25 points): Complete 3 of 7 levels on Supersoldier difficulty. Proceed through the jungle until you get an optional objective to hack a CELL pod. Behind the huge dome-shaped facility is a pool of water with an upgrade kit below the surface. Inside Job (25 points): Single Player: Kill 10 enemies using hacked sentry guns. The Specialist (40 points): Get a stealth kill, a rip and throw kill and an air stomp kill in the same match (Public Match only). Inside the cave is a path leading to the right with more items, and an upgrade kit. Easy "Who Needs Rockets?" achievement Proceed through Mission 1: Post-Human until you leave the computer room and enter a large open area. Arrow to the Knee! (20 points): "Single Player: End an enemy's career as a CELL operative by wounding him in the knee with an arrow! Models of a deer, a frog, mobile turret, and Ceph will appear. Press the jammer switch to turn it off and get the "Can You Hear Me Now" achievement. It is approximately 471 meters from the "Infiltrate CELL System-X Harvesting Facility" primary objective. On your way to the dam, there will be an area with ruined buildings to the left in the dark before entering a wide open section. 18. After going up a flight of stairs to reach the zipline marked as your primary objective, explore the open doorway to the left to find an upgrade kit on a table inside. 11. Kill the enemies, then move towards the dam. An upgrade kit can be found at a CELL ammo cache just past your first objective. Hack the CELL pod past the crumbling highway to find an upgrade kit. The last two Cell Operatives will be sitting behind a barricade, and there are two explosive barrels next to them. They are on a metal structure that resembles a ship wreck. Dancing soldiers in Nanosuit Showroom At the "Extras" menu, choose the "Nanosuit Showroom" selection, then hold RB for a few seconds. Tap [Fire] briefly, if you hold [Fire] for too long, you may kill the Cell Operative in one shot. 24. Off the Grid (15 points): Complete The Root of All Evil. Easy "Improviser" achievement In Mission 1: Post-Human, there are many opportunities to get double kills by shooting explosive barrels. 10. Scan and check the ledge to find the final upgrade kit. If done correctly, the Ceph will go flying far into the distance, and you will hear a roar of applause. Ignore the Ceph Stalkers, and run straight to the jammer. Search for a blue building on the catwalks around the very center of the CELL facility to find an upgrade kit. Suited-up (20 points): Single Player: Upgrade all Nanosuit modules to Maximum level. Professional Superhero (65 points): Complete the campaign on Supersoldier difficulty. The following achievements require the "Lost Islands" bonus downloadable content: Totally Oarsome (20 points): Get a kill with a boat Oar (Public Match only). A good place to do this is in the outside area where the attack helicopter comes in as enemy backup, shortly after obtaining the Predator Bow. Can You Hear Me Now? 14. 15. 12. Jump on it, and ride it on the river for twenty seconds to get the "White Rider" achievement. Climb on some rubble, and jump up to reach a difficult to see ledge. Run over all four of them, and continue to the next area. Shortly after entering the underground area, you will enter a room with tall grass, and a cutscene will begin to play. Throwing the hammer at CELL soldiers will instantly kill them. After going down the stairs to meet Psycho on the bottom floor of the lab, you will pass by a room on your right with an upgrade kit hanging on a wall, just after exiting the stairwell. Go down the stairs, and stay away from the grass. The explosive arrows and electric arrows are very effective. Mission 6: Only Human 21. There are some more soldiers hiding behind containers to the right of the gate. Hit me baby one more time (15 points): Melee someone with a ripped off shield in Spears (Public Match only). The Cell Operative must survive the shot to get the "Arrow To The Knee!" achievement. The Gibson (15 points): Single Player: Complete 20 hacking challenges. Jump down, and a biggy will be right in front of you. Past the previous module, defeat the CELL squad, then look for an underwater cave path just beyond. (20 points): Welcome to the Jungle: Disable the Nanosuit Jammer. Then, find a human enemy, and shoot their knee. Chocks Away Old Boy! (20 points): Melee an enemy off the cliff face with a pole on Ascent (Public Match only). After leaving the dam, you will get an optional waypoint leading to a crashed helicopter. Turn around, then keep jumping up from one level to the next until you reach the top. During a Nanosuit malfunction while on your way out of the facility, Psycho will point out an upgrade kit. 22. (20 points): Post-Human: Take out an attack helicopter using the Predator Bow. Your Nanosuit will be jammed, and you get the secondary objective to disable the jammer. Then, quietly sneak up from behind, and click the Right Analog-stick to perform a stealth kill and get the "Clever Girl!" achievement. Strategy Guide/Walkthrough/FAQ Corey Feldman Interview Review Nanosuit upgrade kit locations Search the indicated locations to find all 25 Nanosuit upgrade kits. Egocentric (40 points): Hold the flag for 4 minutes in a game of Team Possession (Public Match only). Immediately cloak, and use the low draw strength to shoot your bow at the buck directly in front of you to get the "Bang For The Buck" achievement. Follow the catwalks to walkways with CELL soldiers. Easy "Ping Pong!" achievement In Mission 6: Only Human, there are three total Pingers. While going through the Chinese market at the beginning of the mission, you will pass a CELL resupply cache on the second level of a destroyed building. You will see its searchlight on the right side of the main causeway when it arrives. Would you kindly ... Brink of Apocalypse (20 points): Complete Red Star Rising. Improviser (15 points): Single Player: Kill two enemies in one strike using the environment. Note: Scan with your visor often to mark nearby Nanosuit upgrade kits. 9. Aerial Support (15 points): Kill 10 enemies using the mounted weapon on the VTOL (Public Match only). I'll Have That! (15 points): Single Player: Rip off and use all alien weapon types. If you are having trouble, set the difficulty to Recruit. Dumpster Kick Easter Egg In Mission 6: Only Human, at the first Ceph Anti-Air waypoint, crawl underneath using the underground tunnels to reach an area below the battery, with Ceph enemies. World Saver (35 points): Finish the campaign in any difficulty. Mission 3: The Root Of All Evil 7. Perk Of The Job (15 points): Single Player: Save a Nanosuit module package. On the way to destroy the second Ceph aerial defenses, scan often to find an upgrade kit and ammo cache. Interact with it to push the life raft into the water. However, the objective will not appear on your HUD. Geared-up (25 points): Single Player: Unlock all weapon attachments. 16. Mission 2: Welcome To The Jungle 1-4. When you pick up the hammer, electricity will surge through your body. Block Party (20 points): Complete a match in every location in New York (Public Match only). 8. Mission 7: Gods And Monsters 25. King of the Swingers, Jungle VIP (25 points): Get 30 kills with the flag in Team Possession (Public Match only). All of them can be found on the way to the Defense Battery Bravo main objective. Easy "Post-Human Warrior" achievement Just before the final Boss fight in Mission 7: Gods And Monsters, reach the checkpoint before entering the Ceph wormhole at the end of the mission. Activate the cloak ability, and stand still until a Ceph Stalker is close to you. Enter stealth mode so you do not alert the Ceph. Psycho's voice can then be heard saying, "That's how you do it!" Happy Mushroom Easter Egg In Mission 3: The Root Of All Evil, after the dam collapses, go down the river, and stay to the left. Easy "Arrow To The Knee!" achievement After automatically getting the Predator Bow in Mission 1: Post-Human, set the draw weight to low, and select the carbon arrows. Crouch to avoid getting knocked off. Easy "Can You Hear Me Now" achievement At the end of Mission 2: Welcome To The Jungle, you will leave a building and enter an area with very tall grass and Ceph Stalkers. Kicking off the training wheels (10 points): Complete a match using manual armor mode only (Public Match only). Your Nanosuit will become supercharged, and enemies will begin spawning. Pingers are basically tanks on legs. Easy "Roadkill" achievement In Mission 5: Red Star Rising, when you go down some stairs and a cutscene begins to play, you will be on a mountain when it ends. Complete the first secondary objective to find an upgrade kit inside a nearby cave. Scroll to the end to see two CELL soldiers dancing. Bird of Prey (15 points): Air stomp someone from a height of 15 metres (Public Match only). Bang For The Buck (10 points): Single Player: Kill a deer using explosive arrows. Taste Of Your Own Medicine (15 points): Single Player: Kill 25 enemies while supercharged. Wish You Were Here! (20 points): Complete a match on all four DLC maps (Public Match only).
